

Social skills underpin all connections we have with others

## SOCIAL SKILLS

forming friendships,  
understanding yourself  
and others

### EARLY SOCIAL SKILLS

Early social skills involve skills such as:

- facing someone speaking
- playing alongside and cooperatively with others, and
- taking turns in interactions.

### WHAT'S INVOLVED?

Many areas are involved!!

Some include:

- understanding and using social norms (e.g. greeting others, responding when spoken to etc.),
- using cooperative behaviour
  - considering manner and words we use when speaking with people, and
- conversation skills.
